

The First Look Literary Ladies Guide to Interviewing Relatives for Your Family History

Ann Kellett

The First Look Literary Ladies Guide to Interviewing Relatives for Your Family History Scarica PDF

You have the facts about your ancestors, but how do you weave information about your living relatives into your family history? After all, they will be somebody's ancestors one day! This short guide offers practical tips for how to get your relatives to open up, how to think in terms of story, and how to handle conflict and sensitive issues.
